REMARKS

The subject matter contained in original claims 3-6 has been added to the end of the specification as indicated by the above amendment.

The Examiner's comments in paragraph 1 are overcome by the foregoing amendment of the specification.

The Examiner's comments in paragraph 2 of the action are overcome by the amendment of figures 2 and 3 of the drawings. As shown in the accompanying replacement pages, each of the reference numerals in figure 2 has been increased by 20. In a like manner, each of the reference numerals in figure 3 has been increased by 30. The specification has been amended to include the foregoing reference numerals.

The rejection of the claims in paragraph 3 of the action is overcome by the foregoing claim amendments. Specifically, all of the pending claims require that the two reliefs are on the same side or face of the plate.

Claim 17 - 24 presently of record are in condition for allowance and such action is requested.

If there are any additional fees resulting from this communication, please charge the same to Deposit Account No. 16-0820, Order No. 37862.
